VICTORIAN NURSERIES

GEELONG NATIVE PLANTS

645 Surf Coast Highway, Mt Duneed

Geelong Native Plants has a range of native grasses, trees and other shrubs designed to create visually stunning, low-maintenance coastal and bush gardens. The owner, Christine Russell, has more

than 30 years' experience in horticulture and is happy to work with customers to find the perfect plants for new or established home gardens or landscaping commercial gardens. Geelong Native Plants are enthusiastic about the use of beautiful plants indigenous to the area, as one of the main benefits of using plants native to Geelong and the surrounding coastal regions is a high tolerance to salt, wind, drought, frost and other coastal conditions.
